MADE TOUGH. BE DIFFERENT.

FENDER FLARES

Featuring EGR's OEM quality, no-drill fixing system combined with easy to read instructions, they are the perfect do it yourself upgrade for your vehicle.

BOLD BOLT-ON LOOK

TOUGH "RUGGED" LOOK

SLEEK OEM LOOK

Stand out from the crowd with EGR's Fender Flares made from UV protected and OEM approved material. EGR's Fender Flares come in three popular styles - **Bolt-On Look**, **Rugged Look** and **OEM Look**.

- Provides additional tire coverage.
- Perfect fit guaranteed.
- Easy no drill installation.
- Premium Black textured finish is ready to install.
- Can be easily painted.

All EGR's Fender Flares feature a Limited Lifetime Warranty and are available in 2 or 4 piece sets for front and rear wheels.

HOOD SHIELDS

Featuring OEM quality, no-drill mounting systems, EGR Hood Shields are quick and easy to install and look great. Two styles to choose from - **Superguard** and **Aerowrap**.

SUPERGUARD

AEROWRAP

SPECIALTY

Backed by our Limited Lifetime Warranty, the Hood Shield is the perfect accessory that will not only upgrade the look of your vehicle, but will also add protection where it counts. Both styles feature a dark smoke finish.

SPECIALTY HOOD SHIELDS

EGR specialty Hood Shields in **Chrome finish**, **Patriot** and **Armed Forces** options are designed to add an individual touch to your vehicle. Available for most popular trucks and SUV's, these custom styles will not crack or fade and provide superior protection and feature a Limited Lifetime Warranty.

Patriot **Wavy Patriot** **Armed Forces**

WINDOW VISORS

Designed to promote fresh-air circulation in the interior, these fully integrated, custom molded designs help to reduce windshield fogging in wet weather and lower interior temperatures in parked vehicles.

Window Visors feature EGR's Limited Lifetime Warranty and are available as 4 or 2 piece sets. Two styles to choose from include **Tape-On** and **In-Channel** installation options. **Tape-On** option features a dark smoke finish and brilliant chrome on select applications. **In-Channel** option features a dark smoke finish. Light smoke finish available on select applications.

SUNROOF AIR DEFLECTORS

EGR's Sunroof Air Deflectors **reduce the wind noise and rear seat turbulence coming from your sunroof.**

Made from smoke colored, UV stable, high heat resistant acrylic (PMMA) automotive grade material, the Sunroof Deflector is built to last and is backed by our Limited Lifetime Warranty.

SIDE STEPS

EGR's Integrated Side Steps feature custom designed injection molded end caps that combine to provide a 'step up' in style, protection and durability.

The non-slip accent embedded within the step is optimized for easier access. The durable black powder coated aluminum finish is also scratch resistant for a long-lasting finished look.
